According to Soros, Russia's strategy is to "avoid collapse by making the EU implode first – by exacerbating the migration crisis and stoking Islamophobia".

On February 11, *the Guardian* ran an [article](#) by George Soros which had run a day earlier [here](#) entitled "*Putin is a bigger threat to Europe's existence than Isis.*"

Trends
[EU refugee & migrant influx](#)

After a quick check of my vital signs, I confirmed that I was indeed awake and the article
